Kincheloe's majority in district
6,359.

"Cleaning up" in seven of the eight counties in the Second Congressional District, and polling an extra heavy vote in the one he failed to carry (Henderson, the home of Judge Henson) and with the official count likely to show a very, very small majority for the Henderson county man, Hon. David H. Kincheloe, of Madisonville has honor of receiving the democratic nomination to Congress to succeed Stanley by the largest majority ever given a candidate in this district for this important office, winning over Judge Henson by a majority of 6,359 which will be increased by the official returns, it is claimed.

That Mr. Kincheloe would win the nomination was conceded last week all over the district, but the remarkable showing of the Hopkins county man in the home counties of Webster and Union, where Judge Henson was counted on as being the strongest is the one big surprise to the supporters of Mr. Kincheloe back home.

A close race was anticipated in Union, but this county had been figured in the Henson column by a small majority. Mr. Kincheloe's supporters in that county did good work and as a result Union is in the Kincheloe column with a majority of 136. Webster county swells the Hop-

kings county man's majority by 556. While it is no surprise to the Kincheloe supporters that Webster gave a majority for him yet the race was expected to be closer in that county.

Judge Henson succeeded in carrying his home county of Henderson by a majority of 230, but it is claimed that the official returns will reduce this.

Mr. Kincheloe made a remarkable race and deserved to win. He has been busy since Saturday night receiving congratulations and many telegrams have been received from over the district.

The Twenty Year Test.

"Some twenty years ago I used Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Geo. W. Brock, publisher of the Enterprise, Aberdeen, Md. "I discovered that it was a quick and safe cure for diarrhoea. Since then no one can sell me anything said to be 'just as good.' During all these years I have used it and recommended it many times, and it has never disappointed anyone." For sale by all dealers.

The August American Magazine.

In the August American Magazine "Jerry" Travers, present amateur golf champion of the United States, writes an article full of thrilling stories and good advice, entitled "Wonder Shots that Won Golf Championships." It is just as interesting to readers who never played golf as to those who do play the game.

Ray Stannard Baker tells "How Uncle Sam Spends Your Income Tax Dollar." He went to Washington, made an investigation, and reports penny for penny what becomes of a dollar when Uncle Sam gets it—63 cents for this, 17 cents for that, etc. His article is full of news and genuine surprises.

Mary Garden, the celebrated opera singer, writes an article entitled "The Opera Singer and the Public," which is full of the frankest kind of statements—such, for example, as her poor opinion of the English in musical matters.

Will Irwin tells a wonderful true dog story; Walter Pritchard Eaton tells a love story; Stephen Leacock writes of "Arcadian Adventures with the Idle Rich;" Number 6606, a convict in a western penitentiary, writes another Boston Blackie story entitled "The Story of Dad Morgan;" Alice Hegan Rice, famous as the author of "Mrs. Wiggs of the Cabbage Patch," writes a story of a Kentucky mountaineer called "Pop."

James Montgomery Flagg does an amusing piece in words and pictures about vacations entitled "Going Away From Here," and Gelett Burgess, under the title "Burgess Unbridled," begins a dictionary of words that are always needed.

The prize-winning letters in the contest entitled "The Best Story I Ever Heard" complete the number

Half Entire Population of St. Paul at Service on Go to Church Sunday

GO TO CHURCH!

In every village, hamlet, town and city in the United States the cry is heard. Many have had their GO TO CHURCH Sundays already. The reports are very encouraging. About half of St. Paul went to service on one particular Sunday. The pastors unreservedly pronounced the results BEYOND THEIR EXPECTATIONS. As one pastor described the scene at his church, every man, woman and child in his congregation seemed to have made a special effort to get to church. Other pastors told of enthusiastic responses of persons who had not attended church in years at the end of the service, declaring that "this doesn't mean only once. I'll be here next Sunday too."

WITH FEW EXCEPTIONS THE CHURCHES THROUGHOUT THE CITY WERE FILLED TO CAPACITY, AND MANY WERE OVERCROWDED. SUNDAY SCHOOL ROOMS LONG UNUSED AT SUCH A TIME WERE THROWN OPEN TO CARE FOR THE OVERFLOW IN MANY CHURCHES. THE LARGEST ATTENDANCES WERE AT THE MORNING SERVICES. AT THE KNOX PRESBYTERIAN CHURCH THREE MEMBERS OF THE CHURCH WERE UNABLE TO FIND SEATS. THEY RETIRED TO THE BASEMENT, WHERE, SEATED ON THE EDGE OF THE COAL BIN AND BOXES, THEY HEARD THE SERMON BY THE REV. B. S. BATES.

Grandma Seymour, ninety-five years old, probably was one of the oldest persons who answered the appeal. She attended the morning service at the First Baptist church. She lives at the Home of the Friendless, 469 Collins street. When the GO TO CHURCH call was first issued Mrs. Seymour grieved because she thought she could not be one of the thousands. The Quest Bible class of women of the First Baptist church Sunday school, learning her desire, sent a carriage for her. Accompanied by Mrs. Parr, eighty-four years old, she made the trip without difficulty and was happy.

FORMER GOV. BECKHAM WINNER IN LONG TERM SENATORIAL RACE

Leads Stanley by 2,687, With
Nine Mountain Counties
Yet to Hear From

RACE WAS VERY CLOSE

Second District Loyal to Stanley With
Handsome Majority—Wilson
and Camden Winner

Louisville, Ky., Aug. 3.—With nine counties still unheard from and reports from a number of others incomplete, returns received up to last midnight indicated the nomination of J. C. W. Beckham over Congressman A. O. Stanley by a plurality of 2,687 in Saturday's democratic senatorial primary.

The missing counties for the most part were of the mountain districts—principally the Tenth and Eleventh—the returns from which are generally the last to arrive.

Returns from 111 of the 120 counties in the state gave the following totals:

Beckham, 60,215.
Stanley, 57,628.
McCreary, 17,467.

Six Counties Missing.

At the Beckham headquarters last night, with six counties yet to be heard from, it was stated that on the face of the returns received there, Mr. Beckham had a majority of between 8,000 and 9,000. Scattering and incomplete returns were drifting in from various districts throughout the evening, but these were not of a character, it was stated, to affect the estimated result to any appreciable degree.

Mr. Beckham left last night for Bardonia.

FOUR HOMES BURN— BABY DIES IN FIRE

Family Working in Fields When House
Catches—Invalid Rescued

Hopkinsville, Ky., Aug. 3.—Fire destroyed four homes in North Christian Friday and one in Todd county. In every instance the fire is supposed to have started from defective flues.

The baby son of Herschel Perry, of Todd county, was burned to death when the home was destroyed. All the family were working in nearby fields and when they reached the burning building the roof had fallen and the child was dead.

When the home of Mrs. Jordan Bass, an invalid, was burned, Mrs. Bass was rescued barely in time to escape injury. Her son, John Bass, rescued her.

The other homes destroyed were those of Geo. Hendricks and Dave Grace. In all instances only a few pieces of household goods were saved, so rapidly did the houses burn. Insurance was carried on only one house.
